Redfern Has the Mount and She Beats Gravina in a Drive-Eugenia Burch a Disappointment-Handleap for August Belmont's Colt Masterman-Entries.

James R. Keene's Birch Broom, by Ben Brush-Maid of Dorset, won the Brighton Oaks for three-year-old fillies at a mile and seventy yards yesterday after noon at Brighton She was brought here several days ago from Unicago, just as McChesney was, but she was neither "tucked up" nor sud-denly lame. She had been racing through the Western Circuit in the name of Street & Co., although really the property of Mr. Keene, but in yesterday's affair she sported the well-known colors, "white, blue spots," and was ridden by W. C. Whitney's star

jockey, Arthur Redfern. Mrs. L. Curtis's stake winner, Eugenia Burch, by Ben Strome-The Humber carried 111 pounds, including five pounds over- | pl weight, which enabled Odom to have the mount. She was a prohibitive favorite 2 to 5 and a majority of the crowd, while numbered 12,000, stayed off. Green B. Mo rie's Gravina, by Golden Garter-Pink Co backed down from 8 to 1 to 5 to 1, while Bird Broom went up a point to fives. Tristess showed the way into the backstretch, whe she led Birch Broom by a length for near half a mile. Eugenia Burch, showing litt of her usual speed, labored along in thi place with Gravina, under wraps, trailing behind. Tristesse had enough at the three quarter pole, where the Keene filly went the front with plenty of speed. Odom wriding the favorite then with hand and he but she was still unable to get up. At t head of the stretch Redfern let out a link. a Birch Broom drew away from the favorit who was under a heavy drive. Cochra went to work then with Gravina, and s responded with such a fine turn of speed th Redfern proceeded to drive the Keene fil clean up to the wire, where she won am intense enthusiasm by a length and a had in the good time of 1:45 2-5. Gravina over hauled the favorite in the last sixteenth at beat her three parts of a length for the place a August Belmont's Masterman, the fou year-old son of Hastings-Lady Margare the full brother to Magistrate, made his fir appearance since he was beaten off in the Metropolitan Handicap. He picked up i pounds in the \$1,200 handicap at a mile a an eighth, giving away plenty of weight the scale to his company, except Lux Cast Masterman was favorite at 11 to 5, but there was backing for the others. Lord Badge made the running until well into the backstretch. After that it was a long, gruening struggle between Masterman and Lux Casta. At the head of the stretch the plucky Donovan mare had a slight advantage, but Bull-man redoubled his efforts with Mr. Belmont's horse and won the race in a drive by three parts of a length in 158, the last furlong being run in 0:11 1-5. Lux Casta beat Mackey Dwyer two lengths for the place, the latter taking third money from Himself by a head, after sulking most of the way.

The ring got a thorough jarring when The ring got a thorough jarring when Sydney Paget's Thistle Heather won the first race, for two-year-olds at five and a half furlongs. The filly opened at sevens, but was steady pinyed by the clubhouse patrons until she was practically backed off the boards. The talent plunged on Agnes Brennan, making her a favorite at 8 to 5, while the original choice. Contentious, went up to 7 to 2. Agnes Brennan and Contentious led the others to the stretch, where Boiesen, who put up a spiendid ride, ran over them with Mr. Paget's filly, the latter getting the verdict by a head, with Agnes Brennan three lengths in front of Contentious. Hopful Miss being three-parts of a length back. The time was 108.

In the second race, for beaten horses at a a mile and a sixteenth, it looked at one period as if the favorite, Stamping Ground, was surely beaten. Cochran had to take her up in the middle of the backstretch, but when he got the opening he was looking for he went to the front swiftly and the Lamplighter filly romped home with three lengths over Athelroy, 8 to 1, who was two lengths better than Water Tower, 5 to 1. The time, 1:46 4-5, was the fastest of the meeting for the distance.

Billy Oliver's Hazelwood was said to have Sydney Paget's Thistle Heather won the first

was the fastest of the meeting for the distance.

Billy Oliver's Hazelwood was said to have the third event for two-year-olds at six furlongs at his mercy. The wise fraternity loaded the money on at evens, but it was burned up, as the colt got away poorly and was made too much use of by Fuller. After Florizel had tired of making the running, Julius Fleischmann's Tomcod, second choice, rushed home an easy winner by two lengths and a half in 114-3-5. Ned Moore, 10 to 1, came from behind in the stretch and took second money from J. B. Haggin's Flower, 18 to 5, by four lengths.

W. B. Leeds's Nevermore, 8 to 1, made every post a winner in the last event at a mile and a sixteenth. Burns had him under a drive when he finished a length before Kingraine, 5 to 1, who was a head before Courtmaid, 6 to 1. Khitai, 12 to 1, was a head back. Captivator, the favorite, was again a disappointment. The race was run in 1:482-5. Redfern handled two winners.

BRIGHTON TURF GOSSIP. A Killing With Joe Lesser in the Last Rac

Prevented. What was intended to be one of the biggest killings of the year was prevented in the last race yesterday because it was impossible to secure a license for a jockey H. D. Beams brought the five-year-old gelding Joe Lesser East, together with his jockey, Sammy Wainwright. Beams and his friends expected to get 100 to 1 here and they had several thousands of dollars to bet. But when it was found that there was not time to get a license for the boy it was decided to scratch

When Thistle Heather won the first race When Thistle Heather won the first race yesterday, Albert Simons, who ran second with Agnes Brennan, bid the filly up to \$2,500 and got her. Not long afterward Simons refused an offer of \$3,500 for the filly, made by R. H. McCarter Potter, the owner of her sire, Knight of the Thistle, who is standing at Pequest Stud, over in New Jersey.

Two of Lamplighter's get, Stamping Ground and Nevermore, won at Brighton yesterday.

Birch Broom was brought from the train at Jersey City to the track in a horse ambulance in order to avoid stones.

M. F. Dwyer has turned all of his horses over to the Hampton Stable, owned by his son, C. F. Dwyer and S. Deimel. The famous plunger has virtually quit the turf, athough the will continue to be a daily visitor to the track

BOSTON (A. L.), 6; NEW YORK (A. L.), 1 .- FIRST The Boston Americans have been playing the fastest ball in the country of late, but although some of their play yesterday at American League Park was of the nonpareil brand they gave the New Yorks no better than they were forced to receive. The Bostons won the first game and the New Yorks the second. There were vigor and nerve in each game. The first was the more one-sided but the one-sided phase did not come until it was nearly over, and most of the time there was an equally rosy outlook for each side.

The first game was one more boulder in the rocky road which Pitcher Chesbro has travelled since joining the American League. Chesbro was a power in the first four innings, but the Bostons began hitting him in the fifth, and with one exception there was no surcease in their free demolition of the Chesbro curves until the finish. They closed with an outburst of four hits in the ninth—two singles and two doubles. Up to that time the New Yorks had a chance, as they were only one run in arrears, but the Boston spurt in the stretch finished them.

Chesbro batted in New York's only run. He followed Ganzel's two-bagger with a liner over second. "All going out and none coming in," was the burden of Capt. Griffith's song in the other innings. Cv Young meta-The Boston Americans have been playing

SECOND GAME.

The second game introduced the new pitcher, Deering, and his pitching was masterly. He also fielded his position a few degrees fine. Also as fielded shone the Waterboys of the diamond. Parent and Ferris, the nimblest pair in baseball and a pair that works together in the smoothest unison. When Parent was not going all over the field after ground hits and getting them. Ferris was. The twain are the nearest approach to perpetual motion. Likewise Elberfeld played a capable game at short, Willie Keeler causht a fly while jammed into the fence, and McFarland was a sterling performer in the outer meadow.

land was a sterling performer in the outer meadow.

The Bostons scored first. Williams fumbled Parent's grounder, Lachance sacrified, and Ferris doubled to right. Conroy started things going for New York by hitting safely in the sixth inning. He stole second, but did not tarry at that isle of safety, as Stahl overthrew. Conroy going to third. Fultz punched the ball hard to centre and Conroy came in.

The New Yorks broke up Boston's game for good in the eighth Inning. The preiude to a scoring medley was a swift single to left by Elberfeld. As Elberfeld started to steal Conroy hit through the uncovered spot at short, Elberfeld reaching third, and Conroy going to second on the throw-in. Williams promenaded on four, Fultz flied to deep centre, scoring Elberfeld, and Ganzel hoisted a safe fly to short centre, scoring Conroy and

PHILADELPHIA, July 23.—Miller came within a hair of shutting out Philadelphia this afternoon. The saving run coming in the ninth on Gleason's triple and Keister's slow hit to Babb. The fielding of the New Yorkers was faultless and that of the Philadelphias almost so. The difference in the effectiveness of the two pitchers, however, turned the tide in favor of the visitors. Two bases on balls, an out and a wild throw by Mitchell gave New York a run in the first, and Gilbert's single and Millers double yielded one in the fifth. In the sixth Mertes made the round trip on a drive over the right field wall. Singles by Babb, Gilbert, Warner and

FAST TROTTING AT MATINEE.

E. E. SMATHERS'S IDA HIGHWOOD COVERS A MILE IN 2:08 1-2.

Best Time of the Season in Amateur Competition-John F. Cockerill's Swift Takes the Decisive Heat in Which Ida Highwood Is Interfered With.

If the New York Driving Club continues to give matin'e racing to equal the contests of yesterday the appetite of the public will be, in a measure satisfied before the stars of the Grand Circuit appear. The most crifical could scarcely hope for a better con-test than that seen in the championship trotting class yesterday. E. E. Smathers's added starter Ida Highwood, 2:09%, gave not only an added interest, but she showed the spectators the fastest winning mile trotted in an amateur race on any track this year.

Swift was fortunate in getting the pole, but both Ida Highwood and Axtello had so much more speed that the Antonio trotter could not hold his place, and he was in the rear before the first turn was reached. Ida Highwood made a runaway race of it and won the heat under restraint in 2:08½. Swift outtrotted Axtello in the homestretch and finished second.

In the second heat Ida Highwood made a break before reaching the turn, and she was sent an easy mile, Swift winning, with Axtello second. The third heat was a grand contest between Swift and Ida Highwood up to the homestretch. In coming around the second turn Mr. Cockerill drove Swift wide, carrying Ida Highwood out to the centre of the track. When the homestretch was reached, Swift still kept going so wide that finally Mr. Smathers was obliged to take his mare back and drop behind Swift, and then try to win from the inside position. This proved more of a handicap than Ida Highwood could carry and win, and she was beaten three-parts of a length.

Mr. Smathers frankly told the judges that he did not believe Mr. Cockerill drove foul intentionally, and then left them to render the decision. The rule in regard to the leader keeping the position in the homestretch is very plain and specific, but in amateur contests judges are inclined to be lenient, and Swift received the verdict in the heat and race.

JOHN TAYLOR'S M. & M.

Four-Year-Old Gelding Takes Big Race -Good Sport at Detroit. DETROIT, July 23 .- Field horses and favorites alternated in winning the seven races on the card at Grosse Point to-day, four heavily played first choices meeting defeat. In the fifth and final heat of the M. and M. opened a clear length on Wainscott at the quarter, which advantage he maintained until the stretch, when in a vain effort to gain the lead Wainscott closed half the distance. The winner is a four-year-old gelding tance. The winner is a four-year-old gelding by Dispute, out of a mare by Joe S., and is owned by John Merrill of Lockhaven, Pa. An offer of \$10,000 for the horse was declined before the race. John Taylor won \$5,000, Wainscott \$2,000, and Jim Ferry \$1,000.

Monte Carlo, Monroe Salisbury's much heralded California horse, died away in the stretch when Dan T. challenged him in the 2:10 trot and lost ingloriously. He was the 3to favorite. Billy Buck, the warmfavorite, won a hollow victory in the 2:12 trot, Alliwood and Hawthorne breaking in the drive both times.

and Hawthorne breaking in the drive both times.

Dillon Boy, formerly Baron Dillon, Jr., was the \$18 to \$25 favorite in the 2.18 trot, but he was a poor choice, failing to land any of the money. Fan Foran, a bay daughter of Tommy Britten, stepped home ahead of a bunched field by several open lengths and won the race in straight heats.

Further surprise for the bettors came in the 2:09 pace, in which Winfield Stratton, a Denver entry, fairly paced the favorite, Joe Pointer, of his feet. The race was the fastest of the meeting and a whipping drive characterized each heat. Dr. Madaras in the 2:17 pace was 90 good to-day that he won pulled up in 2:09 and 2:08½, reducing his mark. He was heavily played. Sadie Baron was easily best in the 2:10 pace.

LAWN TENNIS.

English Team in Practice on Longwood Courts-Tournament Play.

BOSTON, July 23 .-- On account of the heavy thunder showers this afternoon little progress was made in the Longwood tennis tournament to-day. Friday afternoon. The Doherty Brothers and Harold S. Mahoney, the English team, who are to play in the international tournament for the Davis cup, arrived here to-day. This afternoon they visited the Longwood courts and all played practice matches. The Dohertys appeared to be in excellent form despite their trip across and gave a good exhibition. H.S. Mahoney will participate in the Nahant tournament next week, but the Dohertys will not play through any competition before the Internationals, which are to be held during the first week in August.

one of the best matches in the Eastern doubles to-day was between E. W. Leonard and I. C. Wright and W. C. Grant and R. Leroy, the former team winning by the score of 7-5, 6-3, 6-4. E. P. Larned and H. F. Allen won from R. Bishop and C. L. Cole in straight sets. straight sets.

Roething and Phillips also continued to play in the match for possession of the Ricetrophy. It was the former's turn to open the game, and he selected a queen's gambit as he did in the first game played on Tuesday. Phillips declined to accept the gambit pawn, and he also varied play in the opening from that adopted by the player on Tuesday. Still, Roething had again the advantage right through the opening and part of the middle game, when by an error he lost a pawn. The game was adjourned after over seventy moves.

Sullivan before the West End A. C., St. Louis, on July 30. The mill has been postponed for about ten days in order to give the champion more time in which to train. Corbett is not in the best of trim and has asked the club to defer the battle. Sullivan is training hard and is said to be in great trim. Many sports believe that Sullivan will give Corbett the fight of his life when they have it out Sullivan, who is a Brooklyn boy, fights on the same order as Corbett, and is also a stiff puncher. Special Cable Despatch to THE SUN. LONDON, July 23.-The Philadelphia cricketers resumed their schedule of games here to-day with a match at the Oval against P. F. Warner's team. It was at first supposed that this team would comprise only men who had visited the United States with ouring elevens; but P. F. Warner, E. M. Dowson, B. J. T. Bosanquet and J. C. It rained before play began and at intervals during the game, and when the home team had finished its innings further play for the day had to be abandoned. The play for the day had to be abandoned. The Philadelphians made the best of the situation, and disposed of their opponents for a total of 187, to which the "bail" was the chief contributor, with good scores from Archer, Stevenson and Tarrant.
